

Member Benefits

With more than 250 members of affordable housing and community development corporations, individuals and other organizations that support the creation of housing and economic opportunity for low- and moderate- income residents, the Network’s goal is to make housing and community choices more balanced and equitable. We are proud to be New Jersey’s premiere source for public policy advocacy, technical assistance and training resources, and cutting edge research for our partners’ community revitalization efforts.

Here is your opportunity to help influence community development and policies. Join your CDC colleagues and others and become a Network Member. Benefits include:
