- Land development approval support
- Municipal public support
- Reduction of fees
- Future housing opportunities
- Referrals to other municipalities

A high-angle photograph of a person wearing a white hard hat and a plaid shirt, kneeling on a green lawn. The person is positioned on the right side of the frame, facing away from the camera. They appear to be working on a patch of soil that has been dug up, as a large area of dark brown earth is visible in the center and left. A small green plant is growing in the soil in the lower center. The overall scene suggests a landscaping or construction project.
